WARNING! EXTERNAL SENDER

[REDACTED],
The new Life raft is onboard and mounted in place. All the life rafts have been inspected and are secure as well. Thank you for following up on our progress.

Good day [REDACTED]

Can you confirm the status of Life Raft being replaced?

Also, please confirm the remain life raft cradles have been inspected to ensure secured as intended.

Thanks
[REDACTED]

Inflatable Life Raft Serial No. 1156948

No part of a report of a marine casualty investigation shall be admissible as evidence in any civil or administrative proceeding, other than an administrative proceeding initiated by the United States. 46 U.S.C. §6308.

As we discussed please complete the 19100 Incident Report and the Level 1 Investigation. Please notify the local USCG of the lost life raft and log the person whom reported and let us know of any further request.

Thanks and stay safe
